Attorneys for the Debtors and
Debtors in Possession

These notes (the “Global Notes”) regarding the Debtors’ Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “SOFAs,” and together with the Schedules, the “Bankruptcy Schedules”) comprise an integral part of the Bankruptcy Schedules and should be referred to and considered in connection with any review of them.

1. Management (“Management”) of the debtor in the above-captioned chapter 11 case and its affiliated debtors and debtors in possession (each, a “Debtor,” and collectively, the “Debtors”)¹ has prepared unaudited Bankruptcy Schedules pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). Except where otherwise noted, the information provided herein is as of the close of business on January 31, 2010. The chapter 11 cases of the Debtors are jointly administered, pursuant to an order of the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”), dated March 12, 2010. While Management has made every reasonable effort to ensure that the Debtors’ Bankruptcy Schedules are accurate and complete, based upon information that was available to them at the time of preparation, inadvertent errors or omissions may exist and the subsequent receipt of information and/or further review and analysis of the Debtors’ books and records may result in changes to financial data and other information contained in the Bankruptcy Schedules. Moreover, because the Bankruptcy Schedules contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Bankruptcy Schedules are complete or accurate.
2. The Debtors reserve the right to amend the Bankruptcy Schedules in all respects as may be necessary or appropriate, including, but not limited to, the right to assert offsets or defenses to, or to dispute, any claim reflected on the Schedules as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Furthermore, nothing contained in the Bankruptcy Schedules shall constitute a waiver of the Debtors’ rights with respect to these chapter 11 cases, and specifically with respect to any issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws.
3. The Bankruptcy Schedules are a reflection of the assets and liabilities as recorded in the Debtors’ books and records and, therefore, may not be an accurate reflection of all of the Debtors’ potential liabilities.

¹ The last four digits of the taxpayer identification numbers of the Debtors follow in parentheses: (i) 9304 D’Arcy, LLC (9577); (ii) Advanced Enterprises Recycling, Inc. (9105); (iii) AmeriWaste, LLC (6130); (iv) Ashland Investments, LLC (7823); (v) Big Run Coal and Clay Company, Inc. (3540); (vi) BR Landfill, LLC (9154); (vii) BR Property Holdings, Inc. (2700); (viii) Capels Landfill, LLC (8598); (ix) Curtis Creek Recovery Systems, Inc. (9429); (x) Doremus Ave Recycling and Transfer, LLC (3439); (xi) EnviroSolutions Holdings, Inc. (6151); and (xxiii) STI Roll-Off, LLC (7081). The Debtors’ executive headquarters’ address is 11220 Asset Loop, Suite 201, Manassas, VA 20109.

These Global Notes regarding the Debtors' Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

4. Some of the Debtors' scheduled assets and liabilities are unliquidated or of unknown value at this time. In such cases, the amounts are listed as "undetermined." Accordingly, the Schedules may not accurately reflect the aggregate amount of the Debtors' current assets and liabilities.
5. The preparation of the Bankruptcy Schedules required Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities and the reported amounts of expenses during the reporting period. Actual results could differ from those estimates. Without prior notice, the Debtors may amend their Bankruptcy Schedules as they deem necessary and appropriate to reflect material changes, if any, that arise during the pendency of their chapter 11 cases. In addition, the Debtors reserve the right to dispute or to assert offsets or defenses to any claim listed on the Schedules.
6. Given the differences between the information requested in the Bankruptcy Schedules and the financial information utilized under accounting principles generally accepted in the United States of America ("**GAAP**"), the aggregate asset values and claim amounts set forth in the Bankruptcy Schedules do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.
7. Schedule A of the Debtors' Schedules reflects the net book value of each real property asset.
8. For purposes of each Debtor's Schedule B, the values listed for each of the bank account balances are as of March 10, 2010. The value of accounts receivable and security deposits listed are as of January 31, 2010.
9. The bank account balances listed in each Debtor's Schedule B are inclusive of outstanding negotiables that have been issued by the Debtors but not yet cashed by the recipient of such negotiables (i.e., Schedule B reflects bank cash).
10. With respect to each Debtor's Schedule B, question 3, the information on security deposits does not include prepayments that are held by certain third parties on account of services provided to such Debtor in the ordinary course of their businesses.
11. Schedule B, question 13, of each Debtor's Schedules identifies such Debtor's direct ownership interests in any subsidiary, but does not list any subsidiary that the Debtor may own indirectly. All such ownership interests are listed as having an undetermined value. Amounts related to the investment in consolidated subsidiaries exclude equity earnings (or losses) because those earnings (or losses) are typically eliminated in consolidation. These equity earnings (or losses) related to investments in consolidated subsidiaries are also excluded from SOFA, question 2.
12. For purposes of Schedule B, question 16, the value of accounts receivable has been presented net of allowances, if any, made by such Debtor for doubtful accounts. In addition, the value of intercompany accounts receivable is presented as of January 31, 2010.

13. With respect to Schedule B, question 23, the Debtors hold numerous licenses and permits issued by state and local governmental agencies. The value of such licenses and permits is undetermined, at this time, by the Debtors.
14. With respect to Schedule B, question 24, certain of the Debtors may possess personally identifiable information (as defined in 11 U.S.C. § 101(41A)), in their database of information provided by customers of their waste management services. The value of such personally identifiable information is undetermined, at this time, by the Debtors.
15. With respect to Schedule B, question 29, the Debtors own, among other things, collection vehicles, landfill equipment, transfer equipment, rail equipment, containers and compactors, and other operating equipment. Schedule B, question 29, of the Debtors' Schedules includes the value of operating vehicles owned by the Debtors. The value set forth on the Debtors' Schedules reflects the book value of such vehicles. The Debtors categorized such vehicles under Schedule B, question 29, and not Schedule B, question 25, because such vehicles are used by the Debtors in the ordinary course of their businesses.
16. The Debtors take periodic inventories of their raw materials, which include, but are not limited to, oil, fuel, parts and tires (collectively, the "**Raw Materials**"). The dollar amounts of inventory listed in SOFA, question 20 reflect inventories completed as of December 31, 2009, January 4, 2010 and February 1, 2010. The dollar amounts of inventory listed in Schedule B, question 30, reflect the most recent inventory performed for that particular Debtor prior to 1/31/2010. In valuing their inventory, the Debtors utilize the lower of cost (primarily first-in, first-out method) or market. The dollar amounts listed in response to Schedule B, question 30, and SOFA, question 20, represent the aggregate value of all Raw Materials inventoried, using the different methods of valuation.
17. With respect to Schedule D, the information presented includes outstanding letters of credit that have been issued under a credit facility governed by that Credit Agreement, dated as of March 1, 2004 and amended and restated as of July 7, 2005 (as further amended and modified, and together with any ancillary documents, the "**Senior Credit Agreement**") by and among EnviroSolutions Real Property Holdings, Inc. ("**ESRPH**") and each of ESRPH's direct and indirect wholly-owned subsidiaries, as borrowers, Lehman Commercial Paper Inc. as collateral agent, Deutsche Bank Trust Company Americas as administrative agent and certain lenders that are party thereto. Such letters of credit have not been drawn upon.
18. The Debtors have certain outstanding obligations under performance and surety bonds. The Debtors have not listed such performance and surety bonds on either Schedule B or Schedule D.
19. Schedule G reflects information available to the Debtors as of March 10, 2010 (the "**Petition Date**").
20. Pursuant to an order of the Bankruptcy Court dated March 12, 2010, the Debtors are authorized to pay certain prepetition obligations for employee wages, salaries, bonuses and other compensation, reimbursable employee expenses and employee medical and similar benefits. Therefore, related claims held by the Debtors' employees have not been listed on

the Debtors' Schedule E. Similarly, pursuant to an order of the Bankruptcy Court dated March 12, 2010, the Debtors are authorized to pay certain prepetition obligations on account of sales, use and other taxes and regulatory fees. Therefore, related claims held by the Debtors' taxing authorities have not been listed on the Debtors' Schedule E.

21. In the ordinary course of their businesses, the Debtors utilize a centralized cash management system through which certain payments are made through centralized disbursement accounts in the name of a single entity on behalf of its affiliates. These payments have been reported on the Bankruptcy Schedules of the Debtor that owns the disbursement accounts through which such payments were made.
22. Schedule F reflects information available as of the Petition Date, except for intercompany payables that are reflective of the Debtors' balance sheet liabilities and which are presented as of January 31, 2010.
23. The Debtors have not included on their Schedules F secured parties that may have an unsecured deficiency claim; such parties have been listed on Schedules D only. In addition, pursuant to an order of the Bankruptcy Court dated March 12, 2010, the Debtors are authorized to continue various customer programs, including the recycling rebate program, credits for incomplete service and billing adjustments. Accordingly, the Debtors have not included on their Schedules F customers who were issued a credit or rebate prior to the Petition Date, regardless of whether such customers redeemed such creditor or exercised such rebate after the Petition Date. Furthermore, pursuant to an order of the Bankruptcy Court dated March 12, 2010, the Debtors are authorized to pay certain vendors on account of goods delivered and services rendered to the Debtors prepetition. Such vendors are identified on Schedule F as holding contingent claims against the Debtors.
24. The Debtors have numerous customer contracts for waste management services. Such contracts have not been listed on Schedule G due to confidentiality concerns and because of their voluminous nature.
25. All parties to executory contracts, including those listed on Schedule G, may be holders of contingent and unliquidated claims arising from (i) obligations under those executory contracts and/or (ii) rejection damages in the event that executory contract is rejected. Certain of these claims are not listed on Schedule F.
26. For purposes of the Schedules, the Debtors have only scheduled claims and executory contracts for which the Debtors may be contractually and/or directly liable. No claims have been scheduled for a Debtor that may have benefited directly or indirectly from a contractual relationship to which the Debtor was not a named party. No claims or executory contracts have been scheduled where payments to third parties were made on a Debtor's behalf for administrative convenience or as a result of the Debtors' cash management system. No claims or executory contracts have been scheduled for which the Debtors have rate agreements in place, but not formal contracts.
27. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all

rights to challenge whether any of the listed contracts, leases, agreements or other documents constitute an executory contract or unexpired lease, including if any are unexpired non-residential real property leases. Any and all of the Debtors' rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are expressly preserved.

28. While every reasonable effort has been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contract, agreement, or lease set forth on Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed on Schedule G. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their businesses, including supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may also not be set forth on Schedule G. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including without limitation, any intercompany agreement) related to a creditor's claim. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. In the ordinary course of business, the Debtors may have entered into agreements, written or oral, for the provision of certain services on a month-to-month or at-will basis. Such contracts may not be included on Schedule G. However, each Debtor reserves the right to assert that such agreements constitute executory contracts.
29. With respect to Schedule H, ESRPH and each of its direct and indirect wholly-owned subsidiaries are borrowers under the Senior Credit Agreement. EnviroSolutions, Holdings, Inc. ("**Holdings**"), EnviroSolutions, Inc. ("**ESI**") and each of the direct and indirect wholly-owned subsidiaries of ESI are guarantors under the Senior Credit Agreement.
30. With respect to Schedule H, each of the Debtors except Holdings, ESI, BR Landfill, LLC ("**BRL**"), River Cities Disposal, LLC ("**River Cities**") and Big Run Coal and Clay Company, Inc. ("**BRCC**") is a guarantor under the second lien notes, dated as of May, 22, 2008, between ESI, BRL, River Cities and BRCC, as issuers, and certain parties as lenders.
31. With respect to Schedule H, Holdings and each of its direct and indirect wholly-owned subsidiaries except ESRPH is a guarantor under that certain indenture, dated as of July 7, 2005 (together with any ancillary documents) by and among ESRPH as issuer and U.S. Bank National Association as indenture trustee.
32. The Debtors' responses to SOFA, questions 1 and 2, reflect "year to date" information up to and including January 31, 2010.

33. With respect to SOFA, question 2, the majority of the income earned by the Debtors in 2009 and the losses incurred by the Debtors in 2008 other than from the operation of their businesses was derived from the Debtors' sale of used equipment at prices below such equipment's net book value and the Debtors' leasing or subleasing of certain of their properties. With respect to the leases and subleases: (a) ESI subleases the Debtors' previous corporate headquarters in Chantilly, Virginia to AOC Applied Technologies Corporation; and (b) ESI subleases of a portion of the Debtors' current corporate headquarters in Manassas, Virginia to State Farm Mutual Automobile Insurance Company. In addition, ETW, LLC previously subleased a portion of its facility; however, the sublease agreement terminated in June 2009.
34. With respect to SOFA, questions 3(b) and 3(c), in the ordinary course of their businesses, the Debtors utilize a centralized and consolidated cash management system through which certain payments are made from centralized disbursement accounts. These payments have been reported on the Bankruptcy Schedules of the Debtor that owns the disbursement accounts through which such payments were made, notwithstanding that certain payments were made by ESI or ESRPH on behalf of another Debtor.
35. In the interests of protecting individuals' privacy, the Debtors have not included payments made to non-insider employees on account of wages, salaries or commissions in their responses to SOFA question 3(b). Other payments to employees have been included.
36. The Debtors have included in their responses to SOFA question 3(c) payments that may have been made within the past year to individuals that may qualify as "insiders," as defined in the Bankruptcy Code. The information presented in the Debtors' answer to SOFA question 3(c) reflects the change in balance of intercompany transactions between January 31, 2009 through January 31, 2010.
37. With respect to SOFA, questions 3(c) and 23, the listing of any person or entity is not intended to be nor shall it be construed as a legal characterization of such party as an insider, and does not act as an admission of any fact, claim, right or defense, and all such right, claims and defenses are hereby reserved.
38. With respect to SOFA, question 4, the Debtors have made reasonable efforts to accurately record all suits and administrative proceedings of the Debtor that is a party to the action or was a party to the action within the one (1) year immediately preceding the Petition Date. Certain litigation against a particular Debtor may relate to any of the other Debtors.
39. Payments related to professional services rendered to the Debtors in connection with the commencement of their chapter 11 cases have been made on a consolidated basis by ESI in order to provide a comprehensive view of the payments made by the Debtors related to debt counseling or bankruptcy. The payments related to professional services rendered to the Debtors in connection with the commencement of their chapter 11 cases appear only in response to SOFA, question 9, for ESI, although certain payments reported were made by ESRPH.

40. With respect to SOFA, question 10(a), the Debtors do not believe the sale of certain machinery and equipment constitutes a transfer “outside the ordinary course of business” and have provided this data for completeness and informational purposes only.
41. With respect to SOFA, question 12, the information reflected therein does not include the Debtors’ lockbox account associated with the Debtors’ centralized cash management system.
42. The response to SOFA, question 17(b), by Furnace Associates, Inc., relates to customary testing at waste management facilities pursuant to state regulations. The disclosure contained in SOFA, question 17(b), does not imply that any release of a Hazardous Material in fact occurred and is provided out of an abundance of caution.
43. With respect to SOFA, questions 19(a) and 19(c), because the Debtors report their financial information on a consolidated basis, the books of account and records of all of the Debtors are located at the corporate headquarters of ESI, 11220 Asset Loop, Suite 201, Manassas, Virginia, 20109. In addition, each of the Debtors’ operating subsidiaries retained a copy of its books of account and records at the headquarters of such Debtor.
44. With respect to SOFA, question 19(d), the Debtors do not make SEC filings. In the ordinary course, Holdings may have provided financial information to banks, bond holders, customers, suppliers, regulatory authorities, rating agencies and various other interested parties.
45. The Debtors, their Management, agents, officers, directors, employees, representatives, attorneys, restructuring advisors and financial advisors do not guarantee or warrant as to the accuracy and/or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors, their Management, agents, attorneys, restructuring advisors and financial advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors or their agents, attorneys, restructuring advisors and financial advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, restructuring advisors and financial advisors are advised of the possibility of such damages.
